The IMEC 2021 will be the biggest international medical trade exhibition to be held in Malaysia.

It will be an excellent platform for the sourcing, procurement, connection and communication for the medical industry.

An area of 9700 sqm exhibition hall will be able to accommodate more than 500 standard (9sqm) booths.

The Exhibition will focus on the emerging medical economies in the vibrant Asian region which consist of the 51 countries, with a potential population of 4.6 billion by 2021.

A variety of Medical Conferences and Talks will be held concurrently to promote awareness of the new developments in medical science
