Malaysia International Jewellery Festival 2020 (Spring Edition) provides one-stop jewellery trade platform by gathering the world-leading jewellery manufacturers, wholesalers, resellers from different countries and regions under one roof. They are from Italy, Singapore, Hong Kong, India and more.
The Institution of Engineers, Malaysia (IEM) is hosting the ITA-AITES World Tunnel Congress (WTC) 2020 and the 46th General Assembly on 15 - 21 May 2020 at the Kuala Lumpur Convention Centre (KLCC). The theme of the Congress is Innovation and Sustainable Underground Serving Global Connectivity. The theme has been chosen to reflect the innovation achievement in the efforts of the ITA in promoting the use of tunnels and underground space for the benefits of public, environment and sustainable development for the past half a century since its establishment in 1974. This Congress aims at providing a forum for practising professionals - engineers, consultants, contractors, technologist, researchers, academicians, manufacturers and suppliers to share their experiences, research, studies and views so as to contribute to the advancement of the use of underground space.

Presently, (2018), ITA has 75 Member Nations and 300 corporate or individual Affiliate Members. WTC is the foremost prestigious international conference and exhibitions on tunnelling and underground space. IEM was endorsed as the 50th Member Nation of ITA in May 2000 in Durban. The Tunnelling and Underground Space Technical Division (TUSTD) was inaugurated in February 2000. IEM welcomes all to WTC2020 in Kuala Lumpur.
