CONVENTION CENTRE

Malaysia on a Plate

*Malaysia's food culture tells a story about the peoples
who were brought here by the trade winds and the spice route, many centuries ago.
From the Malay archipelago, to the rich empires of the Indian sub-continent
and the ancient dynasties of China, to the Arabian seafarers,
the Portuguese, the Dutch and the British.
Each leaving their culinary influences that have contributed
to the exquisite tastes and flavours, that is, quintessentially Malaysian today.*

*It is no wonder that food bloggers and youtubers the world over have been won over!
Our award-winning chefs' creations will leave you forever enthralled.*

What our Clients Say

"The IAPCO Council Meeting held at the Kuala Lumpur Convention Centre will be remembered for a long time. Your entire team – on every level – made us feel welcome and deeply cared for at any given time. The breaks, lunches and dinners were each unique and incredibly creative – with attention to even the smallest details."

Mathias Posch

Past President IAPCO
(The International Association of Professional Congress Organisers)

"This was one of the best congresses we've ever had. The Centre's world-class facilities perfectly supported our programme, the meeting rooms were excellent and all the equipment provided was very modern and up-to-date."

The Centre's location is also perfect, being right in the centre of the city with direct access to the public transport and places of attraction around the KLCC precinct is ideal."

The service was super and all participants were extremely happy with the attention to detail and instantaneous response to any requests."

Ada van Krimpen

Director of International Statistical Institute

"From the beginning to the very end, everything about having the congress at Kuala Lumpur Convention Centre was perfect. All staff were helpful, attentive and showed great hospitality. Overall, ASC 2019 was one of the most successful congresses we have ever had."

Mike Kingpayom

Event Manager
The Asia & Pacific Seed Association (APSA)

CONVENTION CENTRE

Sustainability

Stringent segregation programme applied to the public and back of house area to maximise recycling and diversion of waste to landfill.

Adoption of AI-Powered system to manage and control food waste management and to increase yield management.

First venue in Malaysia to partner with Food Aid Foundation to donate excess food to local communities.

We actively give back to community with programmes that support various organisations centered on education, health, and well-being.

Venue is designed to be energy-saving with glass wall to maximise use of sunlight and uses LED lighting to cut carbon foot print.

Our zero-energy rain harvest system relies on gravitational force and can harvest up to 60,000 gallons of water annually.

We are committed to our pledge to achieve the global goal of Zero Net Carbon through a stringent plan to reduce energy consumption by 15% within 5 years.

Continuous focus to eradicate the use of single-use plastics.

Our Sustainability Team engages and helps event organisers at every stage of planning to reduce waste and to adopt the 5Rs principle: Refuse, Reduce, Reuse, Repurpose & Recycle
