

BANNERS

1. Banners must be hung/rigged by the Centre's team.
2. The Centre accept three (3) standard banners :
 - a) Horizontal banners
 - b) Vertical banners
 - c) Fishtail banners for selected locations only
3. The maximum weight of a banner shall not exceed **20kg**
4. Hanging banner must be pre-inserted with full length lightweight metal rod as a drop weight to the top and bottom through a sealed pocket. No joining of metal rods is allowed. See sample diagram below
5. All banners together with the lightweight metal rods must be delivered during working hours at least two (2) working days prior to the event build-up date.
6. Suggested materials to use: fabric, vinyl, tarpaulin, canvas, any suitable materials.
7. The order for banner rigging points must be submitted with a ceiling truss plan or ceiling plot plan, clearly marked with the banner facing direction and number of banner points to help facilitate installation. Please refer to your appointed Accredited Supplier for a copy of the superimposed ceiling plan.
8. Installation of banners is subject to adherence of the above pre-condition requirements, failing which the Centre reserves the right to refuse installation without any notice.
9. Relocation of a banner is subject to availability and Centre's approval, and may incur extra charges.
10. All banners must be collected immediately after the tear down and the Centre will not be responsible for any loss or damage.

EVENT SIGNAGE

1. Event signage here refers to any displays that are related to the event in the Centre. This includes the following: directional and promotional sign, registration and form filling counters, information boards, poster boards and etc.
2. Event signage may be placed anywhere within the contractual space and period unless prior written consent has been obtained from the Centre. Placing these signage at the public areas is subject to the approval of the Centre.
3. A copy of the event signage dimensions in 3D visual plotted to location must be submitted to the Centre's Coordinator for approval at least fourteen (14) days prior to the event.
4. The approval for provision of additional event signage, branding and advertising for a particular event is a concession made for that event only and should not be viewed as a precedent for future event.
5. Any additional allocation of event signage, branding and advertising space to Event Organisers over and above the standard signage procedures is subject to change at the discretion of the Centre.
6. The Centre reserves the right at all times to revoke any consent to display event signage, branding and advertising for not conforming to these procedures
7. A general placement procedure are as follows:
 - a) Event signage cannot be placed directly opposite the lifts and the escalators
 - b) Event signage cannot obstruct any of the Centre's existing building signs
 - c) Event signage at the public area must not contain any exhibitor promotional content
 - d) Event signage cannot placed on the external steps of the building, or in the food court at the concourse level, or in the air –conditioned walkway/ tunnel leading to the Centre
 - e) Event registration and form filling counters cannot be placed directly opposite the existing halls built-in counter and doors of any Halls
 - f) Event signage displayed on the glass facade of the foyers can only have a maximum protrusion width of 1.5 metres. There must be a setback of 0.3metres between the glass wall and the back of the sign to avoid frictional damage to the glass facade.
 - g) Event signage displayed on the hall side of the foyers must not obstruct fixed fire fighting equipment, control panels, toilets, guest lifts, emergency doors and other built-in fixtures. There must be a setback of 0.3metres between the wall and the back of the sign to avoid frictional damage to the wooden walls
 - h) Event signage can only be displayed outside the contracted boundaries of the event space if no other Client is occupying the Centre at that time or after approval from the Centre, or after consensual agreement with the other Event Organisers, concurrently occupying the venue
 - i) Construction and placement of all event signage at the approved foyers and designated public areas can only take place after 19:00hrs. However, this may be changed by the Centre depending on other events taking place in the Centre during that time. The Centre's Coordinator will confirm times with Event Organisers.
 - j) Event signage, particularly at the main entrance lobby, can only be displayed a day before the actual event to avoid confusing the public, as well as to avoid unnecessary conflicts with other events' signage.
 - k) Event signage can be placed at the approved designated public areas per Event Organiser. However, if the Event Organiser has an event booking requiring the whole venue, they may negotiate the placement of event signage in the foyers and the public areas.
 - l) Event signage and branding materials must be professionally produced. The Centre reserves the right at all times to revoke any consent to display signs that demonstrate poor workmanship or unsafe construction

- m)** Event signage, branding and similar materials may not be nailed, stapled, hung or attached to the ceiling, walls, windows, floors, walkways, lecterns and any property or other surfaces except when permission is granted by the Centre. Any form of damage resulting from the installation will incur a direct charge by the Centre to the Event Organiser for remedial works to make good the damage.
- n)** Only the exhibition official main contractor and the event appointed contractor shall install and remove the event signage and branding materials.
- o)** Work areas must be cordoned off from the public and have appropriate work area signage displayed.
- p)** No major painting and construction work is permitted in the foyers. Dragging or moving of any equipment on or across the floor is prohibited. Any damage caused during the installation or erection and removal of signs and displays will be charged to the Event Organiser.
- q)** Waste materials left behind by the contractor will be removed and cleaned by Housekeeping at additional cost to the Event Organiser.
