

KUALA LUMPUR CONVENTION CENTRE

REIMAGINE MEETINGS AT SMARTCONNECT—@
301

Exclusive meeting space discreetly located on Level 3 with direct access to Traders Hotel, Meeting Room 301 provides a private haven for your next gathering. Step onto a private balcony, offering daylight and breathtaking views of the award-winning 50-acre KLCC Park and the iconic PETRONAS Twin Towers. Within Meeting Room 301, sophisticated comfort meets cutting-edge technology. User-friendly features seamlessly integrate with a design that fosters creativity. Here, we redefine meetings. Our interactive and immersive space transforms gatherings into unforgettable experiences, sparking collaboration and igniting a symphony of ideas.

Screen Mirroring System

SMARTCONNECT—@ 301

SmartConnect@301 equips you with a Smart Interactive Wireless meeting system. With a simple touch on the provided iPad, you are in control of the room. Present like a pro with our Screen Mirroring System. Project directly from your mobile device or laptop onto our 136-inch LED screen with clarity. Move beyond traditional flipcharts and brainstorm in new ways; your writing and drawings on our 86-inch LED screen will be displayed on the larger LED Screen. This immersive system enhances participation, ensuring all content is recorded.

Meeting Room Lounge

DUAL ADJUSTABLE CAMERAS

Meeting Room 301 is equipped with dual adjustable cameras, elevating your video conferencing and presentations to a whole new level. These cameras offer exceptional benefits:

Improved Framing

Ensures all participants are perfectly in view

Enhanced Flexibility

Capture different angles to suit your meeting needs, from close-up presenter shots to wider views for brainstorming sessions.

Exceptional Clarity

Zoom in on specific speakers or presentations for unmatched clarity and focus.

FEATURES

Meeting Room 301 boasts a range of features designed to elevate your meeting experience:

Voice-Lift Microphone

Your virtual meeting will be enhanced with our Voice-Lift Microphone, ensuring that in-room voices are crystal-clear to online participants.

Occupancy Sensor

Experience the convenience of automated lighting. Walk in, and the room illuminates; step out, and it conserves energy seamlessly.

Dual LED Screens

136-inch and 86-inch LED Screens

A Dedicated Team at Your Service

Throughout your meeting, a dedicated audio-visual specialist will be at your service, ensuring a smooth and successful experience.

Meeting Room Lounge

Unwind, refocus and strategise in plush comfort with our thoughtfully placed sofa sets, designed to enhance relaxation and focus.

Set the Mood

Transform Meeting Room 301 to perfectly suit your needs. Choose from a spectrum of up to 8 ambient lighting options, from energising white to calming blue, to set the perfect atmosphere for your meeting. Even convert the space into a cocktail reception for a private, intimate gathering.

CURATED BUFFET LUNCHEON

Your experience extends beyond the room. The exclusive foyer, surrounded by floor-to-ceiling glass, offers a serene view of the Park and the PETRONAS Twin Towers, a perfect backdrop for enjoying delightful flavours from our Chef's choice buffet, thoughtfully curated for your morning and afternoon breaks, and a luncheon to stimulate your creativity. During breaks, step onto the private balcony, where the fresh air and stunning views rejuvenate your mind and mood.
