10 Hospitality Suites are located on ground floor, level 1, 3 and 4.

CLUB SUITE

Five meeting rooms - Suite 1 to 5, of various sizes with dedicated private space for coffee breaks.

MALAYSIA ON A PLATE

At the Kuala Lumpur Convention Centre, we go beyond event hosting – we are dedicated to preserving our rich culinary history and heritage while championing sustainability.

Our menus showcase dishes that emphasise the use of the freshest, locally sourced ingredients. In our halal-certified kitchens, our award-winning chefs take an artisanal approach to create memorable culinary experiences for our guests.

Our culinary collection draws inspiration from our rich history and cultures, from the tropical abundance of the Malay Archipelago to the influences of Chinese and Indian cuisines, infusing Malaysian cuisine with tastes and flavours that define our culture today.

Dedicated to cultivating healthy meeting environments that enhance delegate productivity and leave a lasting impression, we offer wholesome food choices and actively support more sustainable events. In line with this, 70% of our ingredients are locally sourced – reducing our carbon footprint while supporting local producers.

WHAT OUR CLIENTS SAY

The AVPN team is immensely grateful for the exceptional support provided by the Kuala Lumpur Convention Centre. Their professionalism, flexibility, and understanding made the planning and execution of the AVPN Global Conference 2023 a seamless experience. The Centre's team demonstrated a high level of expertise, kindness, and warmth throughout the entire event. It was a pleasure to work with them." – Christina Ameln, Project Director & Advisor – Vietnam, AVPN

CHRISTINA AMELN

Project Director & Advisor
(AVPN)

"The Centre's strategic location is an absolute gem, complemented by its remarkable facilities. The convenience of on-site hotels, in the heart of the city, provides an unmatched experience, allowing our exhibitors, visitors and delegates to stay close to their clients. What sets them apart is their unwavering 'never say no' attitude, a rare quality that we seldom encounter elsewhere. Our event is undeniably demanding, yet the staff rise to the occasion, surpassing all expectations. It is a testament to their dedication and commitment to excellence.

PAUL HARWOOD

Managing Director, Westrade Group Ltd
(International Exhibition & Conference Organisers)

Our record-breaking success at the International Cafe and Beverage Show wouldn't have been possible without the Kuala Lumpur Convention Centre as our partner. From day one, the team demonstrated a can-do attitude and unwavering support, helping us navigate every challenge with speed and professionalism.

The venue's central location and easy accessibility were key in attracting both trade and consumer visitors, while the surrounding hotels added convenience for our international exhibitors. KLCC's reputation as a lifestyle destination aligned perfectly with our vision.

We value this partnership deeply and look forward to growing ICBS further with the Centre's continued support.

Alun Jones

Project Director, The Montgomery Group Asia

SUSTAINABILITY

The Centre has a clear vision and a strong leadership team driving its transformation into a truly green venue.

Guided by a robust ESG Action Plan and supported by a dedicated cross-functional Sustainability Committee, we are setting goals and actively working to achieve them.

From reducing emissions and managing waste responsibly, to sourcing ingredients locally and fostering inclusive community partnerships, every initiative is backed by committed teams focused on delivering measurable results.

OUR ESG ACHIEVEMENTS

The Centre is powered by green renewable energy

Food waste are 100% composted with 100% of organic waste diverted from landfill

73% of total organic and inorganic diverted from landfill

70% locally sourced ingredients

41% reduction in greenhouse gas emissions

CSR impact on 2,000 community members

The first venue in Malaysia to achieve EarthCheck Gold Level Certification & Healthy Venue's Bronze Accreditation.

Green Building Certified

Our zero-energy rain harvest system relies on gravitational force.

Eradication of the use of single-use plastics.
